

let your voice **be heard**

Using locally led recommendations to
help solve resource conservation problems

The Local Working Group in **Kerr County**
presents

Conservation Planning Meeting

Location: Texas A&M Agrilife Extension Office (Meeting Room)

3775 Highway 27, Kerrville, TX 78028

Date: **Thursday, August 10, 2017 at 1:00 pm**

******Plant ID Session Following Meeting******

YOUR INPUT IS NEEDED

Help determine local natural resource priorities and criteria for USDA conservation activities and programs planning for the upcoming fiscal year.

FOR MORE INFORMATION

Contact the NRCS office in your county at (830) 896-4911 ext 3 or your local Soil & Water Conservation District Board member. Or visit: www.tx.nrcs.usda.gov or www.tsswcb.state.tx.us.

GET INVOLVED

Be part of the process that helps manage the natural resources that your community depends on for the future.

USDA is an equal opportunity provider, employer and lender.
